

# Tree Removal Rules – City of Shoreline

---

April 2009

*NOTE: This information was given to Bob Roehl, via phone conversation with Paul Cohen, City of Shoreline, on April 24, 2009. His phone number is 206-801-2551.*

1. We can remove SIX **significant** trees every three years.
2. A **significant** tree is defined as:
  - A deciduous tree that is 12” or more in diameter, measured four feet up from the ground.
  - An evergreen tree that is 8” or more in diameter, measured four feet up from the ground.
