Purpose of the proposal and its anticipated effects, including any changes in existing rules:

The College is proposing revisions to the student conduct code to incorporate new model language which implements best practices and enhance the College's compliance with federal law including Title IX and Violence Against Women Reauthorization Act (VAWA).

Reasons supporting proposal: The Student Conduct Code was last updated in 2001. Current language reflected in WAC 132G-120 reflecting the College's rules regarding student conduct do not meet best practices for compliance with federal requirements related to Title IX and VAWA.
